

Christmas at GATHERED

A space to host this years Christmas Party...

Be welcomed into our candlelit dining room at 6pm with twinkling lights above, complete with decorations and a beautifully set table scape. Upon arrival each guest will receive a glass of garnished Prosecco followed by our “little bites” to nibble at your leisure. Around 6:30 our first course will be served followed by 6 other courses over the next two hours (menu below). To enrich the community spirit, some courses will be served family-style while others will be plated individually. Once dessert has completed each guest will be served a traditional Digestivo to aid digestion after the meal! Guests can either linger at the table or make their way to our outdoor campfire where a hot chocolate and coffee bar will be available with a variety of fun toppings. Sip around the campfire and enjoy the evening.

An additional add-on of cookie decorating can be made available - more info below.
